FOREWORD

As the class of 1953, we hope this yearbook has within its pages lasting memories which will always be treasured by you as much as by us.

Because we will be tomorrow's citizens, we are the people who will be responsible for our World's Freedom. Our service to our community and fellowmen is necessary in order to better serve our country.

As we look back on this yearbook in future years, our theme may not be a dream as it is now, but let us hope it will be a reality.

DEDICATION

We, the students of the Senior Class of 1953 dedicate our yearbook "To the men and women who have put forth effort to attain and preserve World Freedom." As the future citizens and leaders of tomorrow, we are striving to obtain this goal by dedicating our efforts and abilities to establish freedom throughout the world.

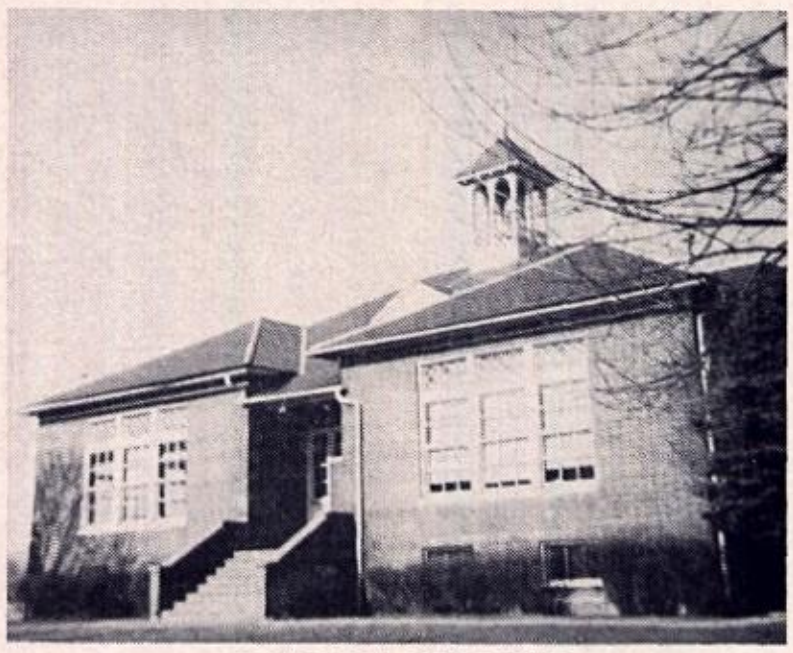
History of the Washington Township High School

ROUZERVILLE

"He who lives only in the present viewing men and events as he finds them, without thought as to how and by what slow degrees the human race attained its present state, though he may be a very sagacious man, shrewd in business, counting his wealth like a Shylock, must of necessity be a very narrow minded if not a sordid and selfish man. On the other hand he who lives only in the past, delving among the ruins of ancient empires, or deciphering the faded inscriptions from crumbling walls and oblelisks, though he may become a very learned man, will grow antiquated and wholly unfit to keep pace with the progress of the times. If we are to know our probable destiny as a people or nation we must, as it were, stand upon the mountain-top, peer into the dismal darkness of the past, then turn with prophetic gaze toward the future."

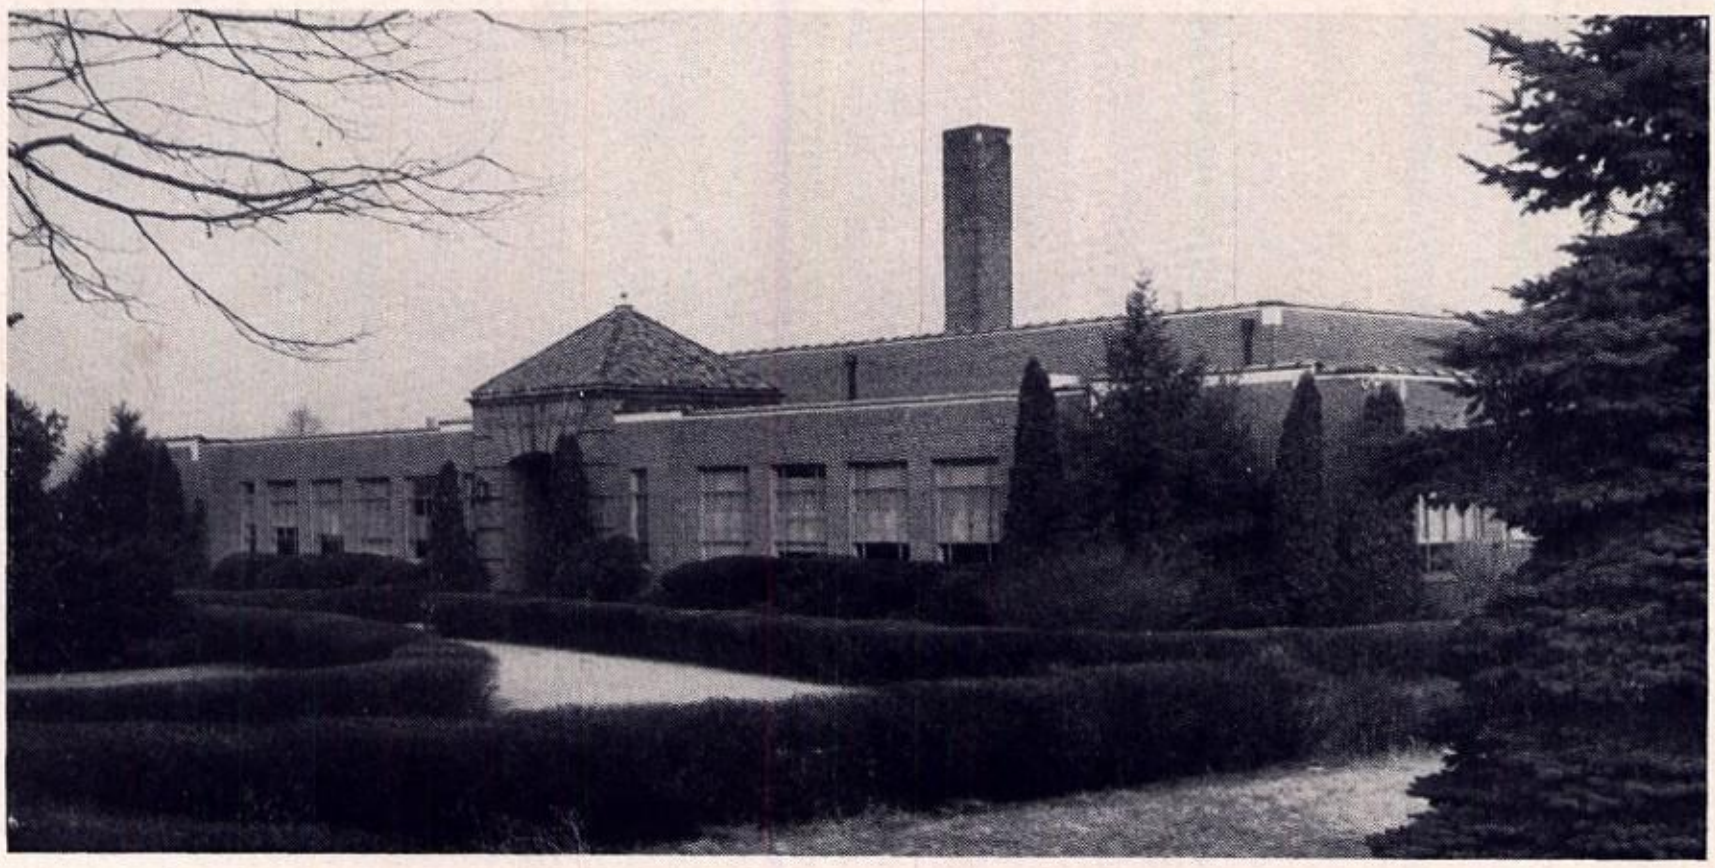
The above quotation was taken from a paper published by the Kittochtinny Historical Society, volume X, page 335, March 1, 1929. As one ponders over the philosophical content embodied therein, it seems a fitting thought to introduce the history which follows.

In as much as a history of the Washington Township High School has never appeared in any previous edition of the Wahtonian, it was the wish of the staff to include it this year. Our purpose is not to go into minute detail but to assemble what information was readily available and that our limited space would permit us to use. The history of the schools of Washington Township in itself is very interesting and would make a worthwhile study. There is available information which dates from 1799, the year Washington Township was organized. However, we will limit ourselves to information concerning the high school.



WAYNE HEIGHTS

WASHINGTON TOWNSHIP HIGH SCHOOL



In the early 1900's there was strong public opinion in favor of higher education in the township which opened the way for the Township High School which was established in the Rouzerville school building in 1906, being organized June 4, of that year. The school continued at Rouzerville from 1906 to 1915 when larger facilities became necessary and a new building was erected at Wayne Heights. The school increased in numbers, and working under a three year plan, conditions became congested. For several years from 1931 there was an increasing demand for better accommodations. In 1931 the school was changed from a three year to a two year course, with the third and fourth year pupils attending the Greencastle and the Waynesboro High Schools. For the 1933-34 term all the third and fourth year pupils were accommodated in the Waynesboro High School. By this time there was definite sentiment for a new building in the township which would serve all the pupils and offer a four year course of study. Finally, the plan to finance such a building on a $60,000 bond issue was placed before the voters of the township at the general election in November 1932. The plan was approved by the voters but not without considerable discussion. Next came the problem of choosing a site for the new building. The present site at Hooverville was selected and purchased October 13, 1933. On June 23, 1934, the cornerstone was laid during appropriate ceremonies. On October 10, 1934, classes assembled for the first time in the new building with a student body numbering more than two hundred

fifty, working under a complete four year accredited high school course. On December 14, 1934, dedicatory ceremonies were held. As one enters the front door one can see a plaque stating that the school is dedicated "To The Exalted Service of Training Youth For Noble Living."

The men who served as the Board of Directors when the present building was constructed were as follows:

1933	1934
W. E. Harbaugh	B. H. Soliday
W. H. Sease	J. R. Johnston
N. C. Shatzer	N. C. Shatzer
J. R. Johnston	W. G. Groshon
H. J. Gehr	H. J. Gehr

The architect who designed the building was Bobb and Bixler, Carlisle, Pennsylvania. The general contractor was H. B. Alexander from Harrisburg, Pennsylvania.

It might be of interest at this point to mention the growth and development of the size of the faculty and of the curriculum.

While the high school was housed in the Rouzerville building the faculty consisted of one member, the principal. Later the faculty was increased to two members by adding another teacher. When the school was moved to the next location at Wayne Heights the increase in enrollment necessitated a larger faculty, so a thtird teacher was added. As growth continued a fourth teacher was added and later a fifth. There was also just one course of study offered up to this time. However, in 1934 with the transferring of the high school from the Wayne Heights building to the present location came not only a larger physical plant to house the school but also increased opportunities for the students. The faculty was increase in enrollment necessitated a larger faculty, so a third teacher was added. As growth suing one course of study each student was faced with the privilege of making a choice in order to help to better meet the individual needs. The following courses were offered: Academic, Commercial, Vocational Home Economics. Since then the faculty has increased to sixteen members and the curricula have been broadened to meet the changing needs of the times. An extra-curricular program as well as an increased athletic program have been added.

CLASS OF 1930

Row 3 — Mildred Smith, Marguerite Haugh, Beatrice Null, Fred Hovis, Thelma Sprenkle, Helen Hess, Mary Shank.
Row 2 — Blanche Crilley, Emmert Frantz, Hazel Weaver, Crawford Beard, Elizabeth Sheeley, George Long, Mildred Miller.
Row 1 — Cecil Stouffer, Matilda Minnick, Hobart Hess, Anna Snowberger, Richard Brown.

A question frequently arises in the minds of people concerning the whereabouts of the graduates. In reviewing records one finds that our graduates enter many and varied fields such as industry, journalism, business, colleges, universities, engineering, morticians, the medical profession, the legal profession, the ministry, nurse's training, agricultural enterprises, and homemaking.

Just as an illustration, a few names have been chosen at random from various classes: Dr. Katherine Emmert '23, physician, Paducah, Kentucky; Dr. Glen Algire '23, physician; Forest Glenn Park, Maryland; Dr. C. W. Lindeman '21, physician, Waynesboro; J. M. Bonebrake '23, State Department of Education, Harrisburg; Louise Royer '42, superintendent of nurses, Children's Hospital, Washington, D. C.; Ruby Hess '20, nurse, Union Memorial Hospital, Baltimore, Maryland; Jack Dowd '44, instructor at Sparton School of Aeronautics, Tuscon, Arizona; Blanche Eyler '18, teacher, Washington Township High School; Harry V. Harbaugh '11, teacher, Washington Township High School; H. Walter Lohman '28, principal, Washington Township High School; Don Snively '23, supervising principal, Upper Providence Schools, Media, Pennsylvania; Edward Hovis '31, contractor; Kenton Noll '38, contractor; Lois Boward '46, instructress in Army Air Force; Milton Rockwell '28, Major, United States Army; Robert Noll, '36, sales manager, Brake-Pontiac, Waynesboro; Samuel Gehr '25, mortician; Ernest Bearinger '34, draftsman, Landis Tool Company; Jesse Garber, '45, on staff of News Chronicle, Shippensburg; Rev. Robert Lohman '44, minister, Albuquerque, New Mexico; Paul Curfman '22, minister, Northumberland, Pennsylvania; Stanley Gossard '43, engineer with Landis Tool Company; Rev. Thomas Burns '42, minister, Fairfield; Sanford Smith '42, druggist; Elizabeth Gossard '41, expediter for Frick Company; David Kipe '40, minister in California; Harold Neibert '40, veterinarian, York; Richard Stouffer '40, civil engineer.

Space does not permit listing the whereabouts of all the graduates. Some of the more recent ones are in colleges and universities preparing for their chosen vocations.

Now, that space does not permit us to delve any further into the past, may we bring this brief history to a close by repeating the last sentence of the quotation used in the introduction. "If we are to know our probable destiny as a people or nation we must, as it were, stand upon the mountain-top, peer into the dismal darkness of the past, then turn with prophetic gaze toward the future." We have briefly gone into the past and gradually worked our way up to the present. Now, as we project our thoughts into the future may we envision a school system that continually moves forward adapting itself to meet the challenging needs of youth.

Principal's Message

You the "Class of 1953" have chosen the theme "World Freedom" for your yearbook, The Wahtonian.

World Freedom is a topic of gigantic proportions. From the very start I turned my attention to the youth of America and the world of today, for it is my firm conviction that if we are to have world freedom in your generation, freedom must be attained through your thoughts, efforts, and deeds, and yours alone.

Because I want to be sure that my basic thoughts parallel that of youth at least in part, you, the members of the "Class of 1953" were asked to write your thoughts, concerning World Freedom. From your writings, for your issue of the Wahtonian, I have written upon the wants, desires, and convictions of this class of 1953 as you see them.

In free countries a question on how to obtain "World Freedom" often arises.

Freedom means freedom to all people everywhere in each small corner of the world. A relaxation of the mind and spirit from worry and trouble which is acquired through the four freedoms as we know them today; (1) Freedom of Speech, (2) Freedom of Religion, (3) Freedom from Fear, (4) Freedom from Want. All people deep within their hearts have a peace and God-loving spirit.

The contemporary youth who has lived through these years of devastation and anguish, wonders if these slogans can ever be revitalized for him and his children. He senses their truth but also their incompleteness. He knows they are the cornerstone of the world he is trying to build.

Freedom of Speech

He knows that without freedom of thought, of expression, and of action there can be no creation. He knows also that happiness cannot be measured—inspite of a certain American inclination to do so.

It is here that the individual must speak for himself. In our country he can speak for himself, but, he can speak for no other. When individuals or groups begin to speak for other individuals or groups, tyranny is inevitable—unless each individual has a method of making himself heard without hurting others.

Freedom of Religion

If we are to secure World Freedom we must release spiritual resources, allowing each man the privilege of worshiping God in his own light.

Religious leaders should teach if possible greater wisdom and understanding that moral concepts and faith in God are things worth living and fighting for. They should make greater effort to bring about a unity of purpose in extending Christian fellowship to all the corners of the world.

Freedom from Fear

The most important reason for our failure in creating and maintaining World Freedom is fear. For in a free world, people would take time to understand each other and not mistruct one another. As F. D. R. would say, "The only thing to fear is fear itself." Man's only certain defense against fear is faith in God.

Freedom from Want

Want creates in a man's mind and soul the desires for something that does not belong to him, whether it be food, shelter, or clothing or the lust for power and greed. In all the nations of the world today there should be a fellowship to help one another.

Can our conception of civilization in a free world, which rests finally on the principle of individual freedom, be reconciled with our knowledge that both war and want can be eliminated only through collective discipline?

You the youth, give a little more of yourselves to God's purpose because He gave you life. Remember the past. Le us all, with courage and high faith in the promise of God accept this challenge and start today to repair the damage to a world's soul.

CLASS SONG

Words by:
Jean Kipe, Doris Greenawalt,
Alma Shank, Louise Darr.

Music adapted from
"At The End of the Day."

As we go forth from these sheltered walls,
Our thoughts will return to beloved halls;
Of teachers and classmates from whom we depart,
The mem'ries of whom we'll hold dear in our hearts;
For all the joy and the sorrow we shared,
And all the little things for which we cared;
Heads are bowed low and our thanks we bestow.
As on our way we go.

Chorus:

We, the class of '53,
Wish to extend to thee;
Thanks, for our years within these walls,
We have had our fun;
Now a new life's begun,
And this is our farewell to you.

Chorus:

On our graduation day,
We'll kneel and pray;
"Thank you, Lord,
For our work and play;
We've tried to be good,
For we knew that we should;"
That's a pray'r for our graduation day.

"The Freedom Train of '53"

(Class History) First Station (Freshmen)

When we boarded the train on September 6, 1949, we learned many custom and duties. We did not elect officers until September 13, 1949, because in that time we thought we could learn to know everyone better. The officers we elected were:

President — Terry Wagner
Vice-President — Herbert Smith
Secretary — Doris Gail Baker
Treasurer — Shirley Warren
Historian — Delores Jean Ashbaugh

Our Class colors are Red and White; the class flower is the White Carnation; the class motto is "Think before you act." Our class advisers were Mrs. Neill and Mrs. Kreps.

The social function was our Class Party held on December 1, 1949. We also presented an assembly program. Some of the members of our class enjoyed a straw ride and a picnic.

The new passenger that boarded "The Freedom Train of '53" was Evelyn Quynn.

The passengers who left "The Freedom Train of '53 were Belmont DeHaven, Betty Downin, Charles Funk, Herbert Martin, Darlene McCleaf, Charles Monn, and Joanne Robinson.

Second Station (Sophomore)

With the coming of the next September, we roll along with a new name—"Sophomores." On September 7, 1950, we elected officers for the year:

President — John Carson
Vice-President — Daris Ford
Secretary — Doris Gail Baker
Treasurer — Shirley Warren
Historian — Delores Jean Ashbaugh

The social events that we sponsored were a movie, a food sale, also some of the members of the class had a party at the Waynesboro Country Club. Our class advisers were Miss Eyler and Miss Witmer.

The new passengers who boarded "The Freedom Train of '53" were Laura Kremb and Herbert Martin.

The passengers that left our train were Ronald Barlup, Sylvia Brady, Barbara Jean Chen, Josephine Byers, Eugene Fessler, Caroline McKendrick, John Musselman, Mary Ellen Pryor, Barry Peiffer, Evelyn Quynn, Jesse Sanders, Mary Jane Stem, Roy Swope, Robert Zeigler.

Third Station (Junior)

Another year has rolled around and we are renamed the "Jolly Juniors". The officers we elected were:

President — Donald Lake
Vice-President — Beverly Bloom
Secretary — Doris Gail Baker
Treasurer — Shirley Warren
Historian — Delores Jean Ashbaugh

Our class advisers were Mrs. Leisinger and Mr. Newman. The events for the year were, our class party on October 30,1951, a food sale on September 22, 1951 at the Waynesboro Electric Company, we sold name plates for mail boxes, Easter candy, and we had another food sale on May 3, 1952 at the Waynesboro Gas Company. Our class sponsored a Victory Dance honoring the football team that won the Laurel Championship this year. We also presented a play entitled "The Campbell's Are Coming" on March 26 and 27, 1952, which was directed by Mrs. Leisinger. After the play some of the members of the class enjoyed a party at "College Inn" at Chambersburg. We held the annual Junior-Senior Prom on May 16, 1952, with the music furnished by Walt Sheldon and his orchestra. We enjoyed a picnic on May 6, 1952 at Cold Springs Park. On June 5, we took a trip to Hershey with Mrs. Leisinger as our chaperone.

The new passengers that boarded "The Freedom Train of '53" were Barbara Chen, Belmont DeHaven, Dede Lockett, Cecilia Holloway, Helen Holloway, Robert Kretz, Grace Rubeck, Jack Thornton.

The passengers that left the train were David Eyler, Cecilia Holloway, Helen Holloway, Rodney Stoops, Marvin Toms, Lee Wills.

Destination Fourth Station (Senior)

As we have rolled down these tracks, we find that our journey for the past four years will soon be ended. As we leave "The Freedom Train of '53" may we always look back over the wonderful times we had in school together working as a Class. Our class officers we elected were:

President — Beverly Bloom
Vice-President — Donald Lake
Secretary — Doris Gail Baker
Treasurer — Shirley Warren
Historian — Delores Jean Ashbaugh

This year our advisers were Miss Miller and Mr. Harbaugh. Our Class Party was held on September 30, 1952. We had a food sale on October 11, 1952 at the Waynesboro Electric Company. This year we sold Christmas candy and everyday cards. Our Senior assembly program was held on May 6, 1953; the annual Junior-Senior Prom was held May 7, 1953; and the Senior banquet was held May 14 at Salem Church. Our Baccalaureate service was held on May 24, 1953 and the speaker was the Rev. Claude Corl. The Commencement exercises were held on May 25, 1953 and the speaker was Dr. Richard A. Mumma, the acting Dean of The Johns Hopkns University.

The passengers that boarded "The Freedom Train of '53" were Josephine Byers, Mildred Stuckey, Johann Statts.

The passengers that left the train were Verda Barnhart, Richard Gsell, Robert Kretz, Dede Lockett, Louise Smith.

The destination of "The Freedom Train of '53" has come to the end of the journey. May we all go through our chosen professions and make the best of our lives.

CLASS WILL

We, the class of 1953, in the township of Washington, the county of Franklin, and the state of Pennsylvania, being in as good mental condition as usual, and in much better temper than usual, do hereby make this, our last will and testament.

Although, being as psychologically complex as befits a Senior Class, we consist of fifty separate and distinct entities or what have you. We are in such complete accord, thinking alike, and seldom, that the editorial—now, alas, funereal—"we" will be used to denote our collective entity throughout this will.

In this manner do we dispose of our possessions:

Item—We give and bequeath, freely and without reservations, to the Junior class, our rightful heirs, and to their heirs and assigns forever, our most important and valuable properties; our self-satisfaction, our importance, and our wisdom, all of which we possess in enormous quantities, and we hope said gifts will be of use in overcoming their present inertia.

Item—We also leave the Junior class our good luck. It made us what we are today, and it should satisfy them. In addition to this, all our privileges and rights as Seniors in the classrooms, as well as any notebooks, pencils, fountain pens, comic books, or unfinished business.

Item—We give and bequeath to the Junior class our well-known nerve, which they will need next year, and all the examination questions we have been given during the past year. The answers have long since been mislaid by us and are not included in this will.

Item—To our good friends, the Sophomore class, we leave our patience. It will be found useful as the only means by which they can successfully complete their school year.

Item—To the Freshmen we lave two well experienced class advisers, Miss Eyler and Mr. McClellan, to guide them and help with problems they may encounter.

It will be noticed, that although we have left bequests to the Junior class, soon to be seniors; to the Sophomores, soon to be Juniors; and to those who will, in the fall, become Freshmen; we have made no mention of the present Freshmen class which will be known as the Sophomore class in a few short months. To them we leave our talents and abilities which may be useful to them during the next three years.

Item—To our dear old school building itself, we leave the peaceful quiet caused by our absence.

Item—To our principal we give and bequest a sense of relief that we have at last been graduated, pleasant memories of our four years together, and a feeling of pride in any great deeds or noteworthy achievements that our future may contain, realizing that such glories—if any—will owe much to his example and counsel.

Item—To our teachers, the faculty of the Washington Township High School, we hereby give, our entire store of knowledge. From them it came and to them it should be returned, that others may be benefitted by it as we have been. We also give and bequeath to the teachers our very kindest regards and our sincere gratitude for their unfailing kindness and aid.

Item—To the history of the Washington Township High School we bequeath our illustrious deeds and our names as candidates for the Hall of Fame. We also leave the words and music of our class song which though not beautiful, are very durable.

Item—To next year's class president we leave the stentorian voice of our good president, Beverly Bloom, which enabled her to overcome all opposition and to prevent others from knowing opposition existed.

Item—To the football team of next year the privilege of gazing admiringly at the trophies our team won this year as Laurel Champs.

Finally, we do hereby name and appoint as the sole executor of this, our last will and testament, our class adviser, Miss Miller.

In witness whereof we, the class of 1953, the testator, have set our hand and seal on this 25th day of May in the year of 1953.

The Campbells Are Coming

by Jay Tobias (Class of 1953)

Cast of Caracters

Ma Brannigan — Joan Fogle
Catalpa Tapp — Dede Lockett
Betty Brannigan — Jean Ashbaugh
Dick Brannigan — Leroy Kretz
Bildad Tapp — Rodney Stoops
Cyrus Scudder — Kenneth Fraver
Jeffery Scudder — Daris Ford
Kaye Brannigan — Laura Kremb
Kingston Campbell — Jack Kramer
Mrs. Augusta Campbell — Shirley Warren

Ma Brannigan, a fairly well-to-do woman, is living in her summer cabin while her house is being renovated. With her are her two grandchildren, Dick and Betty, also her maid Catalpa Tapp. Kay Brannigan, another grandchild, is away at college. Meanwhile Bildad, a worthless hillbilly and also Catalpa's father, is trying to marry Ma, but Cyrus Scudder is trying to convince Ma to marry him instead.

Jeff Scudder, Cyrus's nephew, is in love with Kaye. Ma receives a telegram from Kaye saying she is engaged to a city fellow, Kingston Campbell. Kaye comes home and tells her family that they must impress the Campbells because they think her family are hillbillies and she must convince Kingston and his mother that they are not.

During the course of events, Mrs. Campbell is given a dose of moonshine instead of soda for a case of indigestion. While she is under its influence she tells of her life and finally reveals that she is old Bildad's sister, who ran away from home at the age of 14. Jeff gets Kaye, Cyrus and Ma Brannigan, too make up, Catalpa, Bildad and all the children move in on Mrs. Campbell.

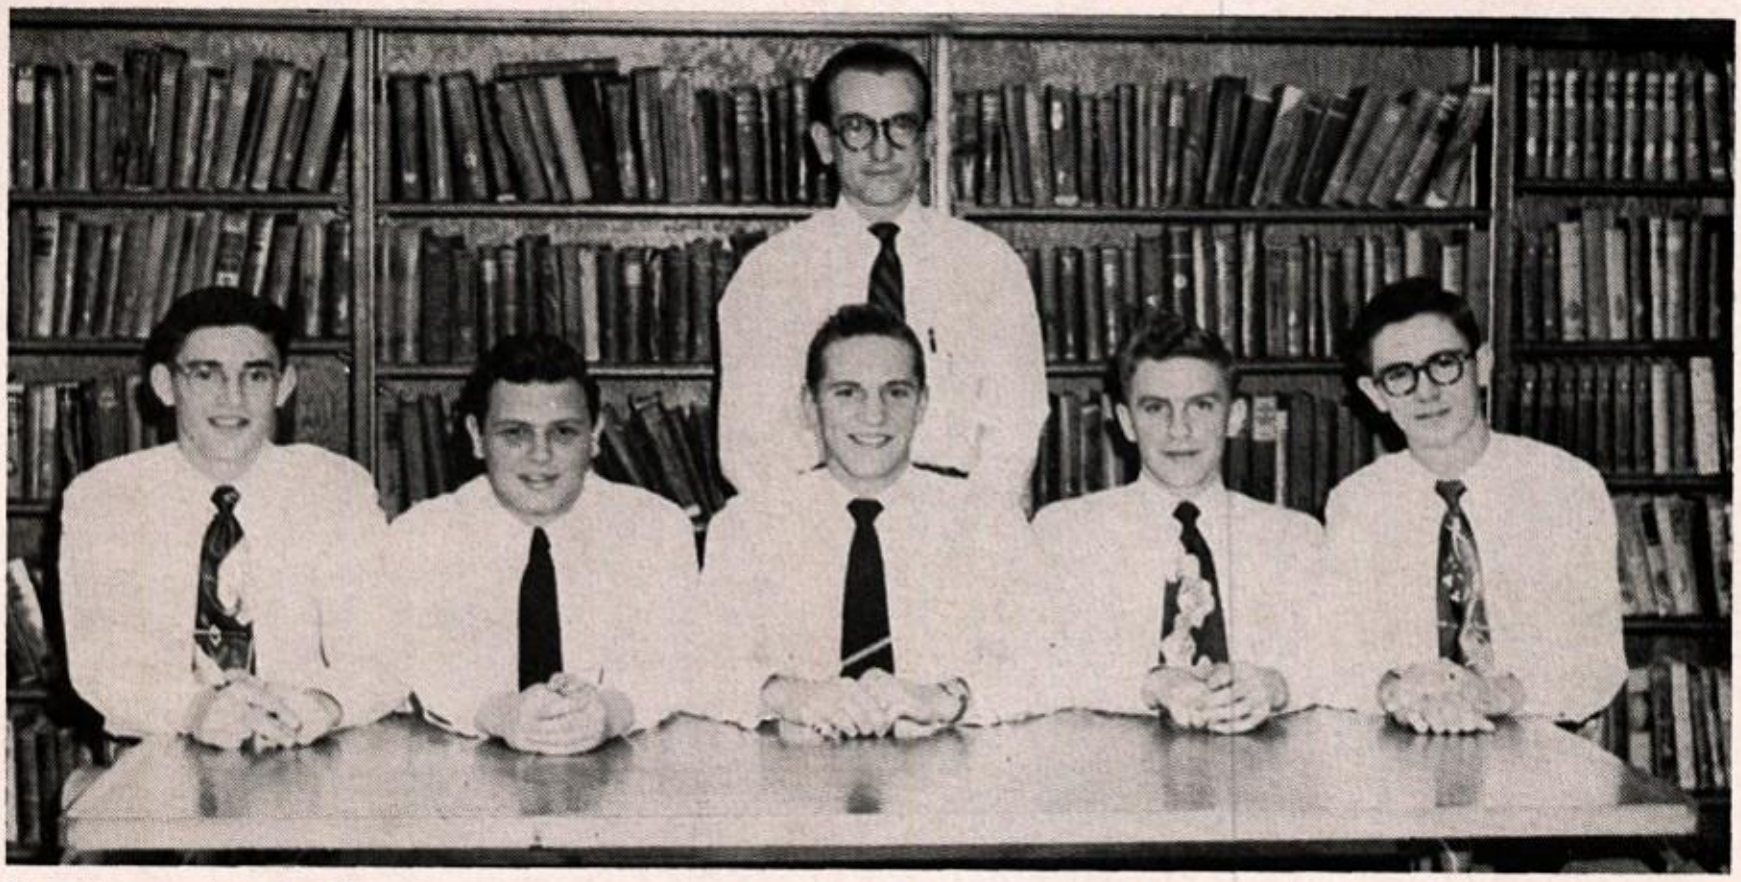
This club in cooperation with the Hi-Y sponsored a brother and sister act during freshmen week, the first week of school. The purpose of this was to better acquaint the freshmen with the customs and happenings of the school as well as with the upperclassmen.

With the Hi-Y, they attended a conference held in the Greencastle High School during the fall. A banner was received here by W. T. H. S. for the best poster. They also enjoyed group singing, a speech, eating, and dancing at the meeting.

At Christmas, a food and clothing drive was held for the needy families.

A representative from our school was sent to the United Nations conference held at Harrisburg in March.

The code is, "To build a better world, ready I must be in the place life doth find me holding fast, yet pushing on into glorious adventure, You and I and God."



Standing — Mr. McClellan.

Adviser — Mr. McClellan

The purpose and main emblem of the club is: "To create, maintain, and extend throughout the home, school, and community better standards of Christian fellowship."

Since the Hi-Y and Tri-Hi-Y work together, many of their activities are the same. Actively they started the year with a big brother and sister act and a freshman dance. During their membership drive Mr. Brady gave a very interesting lecture on sportsmanship in and out of school.

A collection of food and clothing was made for the needy at Christmas time. Movies were sponsored on the interests of high school students which helped them to better understand themselves and others. At the induction services held in January, Mr. Townsend spoke to the entire assembly in a very inspiring manner. The annual "Teen Talk" course was again organized. In this way, discussions between different classes about common interests were carried on.

Something new for the two clubs were the record dances held after basketball games at home.

French Club

President — Lora Jean Sease
Vice President — Jean Kipe
Secretary — Barbara Welty
Treasurer — Betty Shank
Adviser — Miss Eyler

Bonjour:

The purpose of the club is to better acquaint the students who are studying French with the manners and customs of the French.

One of the best ways of doing this is through movies spoken in either French or English. Taken throughout various parts of France, they demonstrate the characteristics and customs of the French, while some are simply French comics, or marionette shows.

Another way they learn and copy French customs is by having a Mardi Gras each year. It is a carnival affair usually held in the streets but unlike the French we have ours in the gymnasium.

Many gay colored costumes, inviting cake and pie walks, dancing, games, and eats, provide fun for all and also adds to our funds.

A third way is singing French songs and doing their folk dances. "Les Marsellaise's", the French Anthem is sung in each meeting. At Christmas, carols were sung in French. Of course, the reading of French stories widens our interests very much.

Thus at the end of the year we feel, through our club, that we know and understand better the French people and their ways.

Au revoir.

Ave:

The Latin Club is composed of students studying Latin and who are interested in the lives and times of the Romans. Through our membership in the Junior Classical League of America, we learn what other Latin Clubs are doing throughout the U. S.

At the beginning of the year the slaves demonstrated their skills before the club after which an auction was held wherein the upperclassmen each bought a slave.

At Christmas time we participated in the Roman Saturnalea at which the slaves were in charge of their masters.

We presented our annual assembly program which dealt with Roman life and our annual Latin banquet at which the slaves, freshmen in the club, served the patricians, equestrains, and plebians, the upperclassmen.

To each member, the club offers a wonderful opportunity to learn and live the lives of the Romans. At the close of the year Miss Eyler gave awards to each member.

Salve.

Editorial Staff of Spectator

Editor — Alma Shank

Adviser — Miss Witmer

Our school newspaper owes its informative and valuable content to the hard working and untiring efforts of a voluntary group of seniors, juniors, and sophomores who enjoy interviewing students and faculty members. Also in their articles they brought to the students, attendance records, gossip, and honor rolls.

Exchange papers are given and received by the staff from other neighboring high schools by which they learn new ways of presenting various articles so that they will be of more interest to their readers.

The members of the staff receive valuable training in writing, composing, and proof reading the papers. This also gives them an opportunity to share their ideas with many other persons.

The paper is published five times a year. They are a member of the Inter-Scholastic Association. After two years of service they are awarded a letter and the editor is given a pin.

Business Staff of Spectator

Advertising Manager — Kenneth Eshelman
Circulation Manager — Charles Knott
Head Typist — Beverly Bloom
Adviser — Mrs. Kreps.

The advertising staff has charge of collecting and assembling all the advertisements, an item of great importance in the publishing of the paper, because this furnishes the money for most of the finances.

The circulation staff handled the distribution of issues to the subscribers and saw that it got into the hands of as many students, parents, and other outside friends as possible. The mailing of the paper to outsiders was also taken care of by this staff.

The responsibility of typing all articles correctly, before they were submitted to The Record Herald Publishing Company for printing, was taken care of by our capable and prompt typing staff.

In recognition to their loyal and faithful service to the paper and the school they are awarded a letter at the end of two years, by the school. The advertising and circulation managers are eligible for pins. Also it gives the commercial students a chance to find out what working in the business world is really like.

Future Homemakers of America

President — June Binkley
Vice President — Mary Hoffman
Secretary — Bonnie Trace
Treasurer — Donna Warren
Scrapbook Keeper — Dede Lockett
County Council — Joan Fogle
Adviser — Miss Kensek

The Future Homemakers of America is a nation-wide organization whose primary aim is to further the interests in homemaking in order to build better homes. The Washington Township High School Chapter of the Future Homemakers of America has a membership of thirty-three girls who are interested in the homes of tomorrow.

The chapter is quite active this year under the new adviser, Miss Kensek. This year's activities included the initiation for new members, selling confetti at football games, making and selling corsages and raffling off a fifty-three piece set of silverware.

There are four degrees which may be obtained in the Future Homemakers of America which are the Junior Homemaker's Degree, Chapter Degree, State Homemaker's Degree, and National Homemaker's Degree.

Girls showing interest and improvement in the club are given the respective award.

Future Farmers of America

President — Carrol Wilhide

Vice President — Charles Kennedy

Secretary — Clarence Barnhart

Treasurer — Gary Ulrich

Reporter — Ellis Sharrah

Sentinel — Daris Ford

Chaplain — Lauren Garling

Adviser — Mr. Jacobs

The Future Farmers of America, or "F. F. A." as it is commonly called, is the national organization of , by, and for boys studying vocational agriculture in public secondary schools under the provisions of the National Vocational Education Acts. The F. F. A. is composed of chartered State associations which, in turn, are made up of local chapters situated in high schools having departments of vocational agriculture.

The past year's program of events within the F. F. A. of our school included the replacement of two Sears registered Hampshire swine, greenhand initiation of eighteen new members, turkey raffle, two rollerskating parties, F. F. A. Basketball team, purchase of F. F. A. jackets, assembly program on Safety, radio program in Chambersburg, Fathers and Sons banquet, and the F. F. A. party.

The primary aim of this club was the further development of agriculture, leadership, cooperation, and citizenship.

Girls' Shop Club

President — Evelyn Mummert

Vice President — Dorothy Bingaman

Secretary — Sara Jane Gsell

Treasurer — Barbara Zearfoss

Adviser — Mr. Jacobs

This club was organized for the purpose of giving to those girls who were interested, some of the fundamentals to shop procedure. The Shop Club is designed not to make the girls experts of any sort, but to have them gain useful training and information by actually seeing and using the common shop implements. Some tools they were not able to use, but one can be sure that they came into contact with them and know at least what the tools are used for.

By making simple projects such as door stops, they gained useful information in measuring, sawing, planing, sanding, staining, varnishing, using screwdrivers, hand drills, and countersinks, which will never be forgotten. Some of the other jobs which they performed were repairing electrical cords, care and use of the same, some soldering and painting. Also the girls went to work on their homes by refinishing some of the smaller pieces of furniture.

At times the girls seemed discouraged and disgusted, but all in all, most of them enjoyed being in the club.

Boy's Home Ec. Club

Adviser — Miss Kensek

This organization has more similarity to a class than a club, for this reason there are no officers and its membership is open only to the freshmen boys.

The club was organized for the purpose of informing and teaching the boys about the principal fundamentals of homemaking in order to promote throughout the school a better understanding and a deeper appreciation of the homemakers and those who are engaged in the field of home economics.

The use of implements and studies much like those of the home economics girls are taken up by the members.

The boys are taught how and gain experience in the art of sewing, cooking, and baking. Also they were given instructions on manners and dating during one unit.

The boys do not become specialists in the field but they gain valuable information, experience, and enjoyment.

Commercial Club

President — Beverly Bloom

Vice President — Louise Darr

Secretary — Deloris Minnich

Treasurer — Betty Shank

Adviser — Mr. Newman

All commercial students, except the freshmen, are eligible for admittance into this club of which it is the purpose to better acquaint the students with the business world and bring them closer together before their graduation day. It also gives them a better understanding and knowledge of the ideals which the commercial world stands for; those of which they will some day be a part.

Into the meetings which were held every other Thursday, speakers were brought and movies were shown for the educational purpose of giving to them a realization of what the business world expects of them as high school graduates and what they may expect in their future employment if they wish to secure and maintain a position in the business world. Throughout the year, several programs were held with the thought of recreational interests in mind.

The visual aid program was supported by a small amount of dues required by each member.

The club was successful in giving a broader and more enlightening view of what the future holds in store for them.

Typing Club

Adviser — Mr. Newman

For the more studious pupils of our school, Mr. Newman again formed this club which has more resemblance to a class than a club.

The purpose of this club is to give an opportunity to non-commercial students to learn the fundamentals of touch typing which will be of value for their own personal letters, book reports, college papers, and many other practical uses.

Membership in this club is restricted because of the limited amount of typewriters at hand, thus it is quite a privilege to be a member of this club.

Officers are not elected, therefore it is not an organized club.

Meeting twice a week it gives the participants a chance to do some artistic typing, and have fun on the typewriter.

Student Council

President — Terry Wagner

Vice President — Paul Stevenson

Secretary — Beverly Bloom

Treasurer — Kenneth Snowberger

Advisers — Mrs. Kreps , Mr. Davison

The student council is composed of two members from each home room, whom the students themselves elect. Organized only three years ago, it has become one of the most important clubs in the school and membership on its panel is quite an honor.

Its scope of activities has been gradually enlarged until it includes everything from hall duty to the decoration of the school, inside and outside, on all important occasions. In these works the council has done a remarkable job.

However, acting as a liaison group between the student body and the administration is its main purpose.

Several amendments have been made in the constitution, as a result of the changing times.

For two years service on the panel a school "W" is awarded. Also, awards are given to the officers, lockets for the girls and tie clasps for the boys.

Science Club

President — James Reed
Vice President — Eugene Ford
Secretary — James Smith
Treasurer — George Henicle
Adviser — Mr. Harbaugh

The purpose of this club is to create throughout the student body an interest and understanding of the scientific world in which we live. However, because of the limited amount of equipment in our chemistery laboratory the membership is annually restricted to the freshmen boys who voluntarily join this club because of their desire to learn of science and various chemicals.

This club is especially valuable to those boys who may never have the opportunity to study any of the sciences. Also to those who will have the sciences in their course of study, the science club is an asset because it offers to them a background and knowledge of that which they will further explore someday.

The experiments are taken from chemistry, physics, and general science.

Standing — Miss Nisewonder.

Seated — B. Trace, H. Sheely, H. Smith, E. Miller.

Dancing Club

President — Herbert Smith

Vice President — Howard Sheely

Secretary — Bernadette Trace

Treasurer — Eugene Miller

Adviser — Miss Nisewonder

The purpose of this club is to create throughout the school an appreciation of dancing and to give to those who desire it a course in the art of dancing.

During the year the club was divided into two sections, the dancers and the non-dancers. As a result of this separation the dancers were able to dance an enjoy themselves, thereby improving their dancing ability while on the alternate week the non-dancers, after receiving and learning the essentials of dancing, found pleasure in their meetings. Also they were taught the art of folk dances, and Paul Joneses which added an interesting attraction to the club meetings and gave them a goal to work for.

The year's accomplishments were highlighted by a formal dance held in our school gymnasium on St. Patricks Day.

This club, having much resemblance to a recreational organization has one of the largest enrollments in the school.

Librarians

Adviser — Miss Witmer

Much of the work necessary for the continuous functioning of our school library is handled by a volunteer group of girls who spend at least one assigned period each day behind the librarian's desk.

These girls consider it a valuable experience to read and handle books and receive training in checking out books, filing cards, returning books to the shelves in their proper arrangement, and repairing them when necessary.

Since many study halls are held in the library regularly each day, the librarians are expected to check the attendance and to help maintain order. They also have the opportunity of becoming acquainted with magazines, encyclopedias, reference, fiction, and non-fiction books.

In recognition and appreciation for the spare time which the girls devote to this work they are presented a library letter at the end of the school year, since this is a service of great value to the school.

Special Mixed Chorus

President — Laura Kremb

Vice President — Martine Eberly

Secretary-Treasurer — Jean Kipe

Librarian — Gary Ulrich

Accompanist — Lora Jean Sease

Adviser — Mrs. Schroedter

Composed of thirty four voices, male and female, the mixed chorus offered many moments of enjoyment and happiness to its listeners and the participants of the chorus, under the direction of a very capable leader.

Never to be forgotten are the recordings which Mrs. Schroedter played to them of their own singing after a long day's rehearsal nor the many hours of practice spent on "Hallelujah."

The chorus took an active part in blending their voices at the Candlelight Service which was held at Christmas time in our school auditorium. Also a limited group was sent to the Franklin County Music Festival as representatives from our school. They also gave the seniors a warm farewell by offering several selections at the Baccalaureate and Commencement Services.

Awards are given to deserving members at the close of each year.

Varsity Club

President — Herbert Smith

Vice President — Kenneth Fraver

Secretary — Laura Kremb

Treasurer — Margaret Harbaugh

Adviser — Mr. Brady

Any student who received a school letter in some varsity sport was eligible for membership in this club.

The purpose of the varsity club is to promote varsity sports in our school and to give our more athletic minded students a chance to work with and esteem the value of cooperation between participants of the various sports in our school.

The main event of the year for the club was "W" night at which three basketball games were held; the faculty versus the girls varsity basketball team, the has-been's, senior boys, against the will be's, junior boys, and the grade all-stars with the freshmen. An overwhelming crowd attended the games and thoroughly enjoyed the striving attempts of each team and the good sportsmanship of both the winning and the losing sides. This club was enjoyed by all, in or out.

Driver Training

Adviser — Mr. Rankin

This being the second year for the driver training course, we find more and more students driving to school than ever before. Almost all of them can thank their driver training instructor, Mr. Rankin, who certainly has a great deal of patience and confidence in his pupils. His quiet steady ways have helped the students feel more at ease and have more confidence and hope in their driving.

This year the students are driving a Chevrolet instead of the Ford they used last year.

These students are a voluntary group who wish to learn not only to drive but also the rules and safety regulations which prevail.

The following are the students enrolled in this course during the second semester:

Betty Shank
Myrna Ferguson
Richard Hurd
Wilbur Lohman
Mildred Smith
Terry Sachs
Betsy Baer
Thelma Smith
Phyllis Zearfoss
Henry Lewis
Clifford Strausbaugh
Mary Sanders
Robert Kreps
Melvin McSherry

Bus Patrol

Captain — Eugene Miller

Lieutenant — William Cook

Adviser — Mr. Lohman

Once again the school bus patrol took upon itself the responsibility of keeping our students, who ride the buses to and from school, safe and secure. This is a voluntary group of students who willingly devote their time and energy to the preservation and safe guarding of their fellow students.

They did a splendid job with respect to the loading and unloading of pupils on the buses and when it was necessary they helped them across the highway. Also they maintained order and discipline among the passengers.

The Waynesboro Motor Club supported them by equipping each member with a belt, badge, raincoat, and cap.

At the end of the school term a party is given to all the boys and girls who served on the safety patrol in appreciation for their good work.

A certificate of merit was awarded by the American Automobile Association for their loyalty and service to the school.

TELEGRAMS FROM AROUND THE WORLD
(Class Prophecy)

Last night, as we sat thinking of the class reunions we hope to enjoy together in the future, we found ourselves imagining the result if, say ten years from now, every member of the class should be too busy to attend the reunion.

But, we thought, how interesting if on the morning of the reunion each absentee sent a telegram in which was stated the sender's occupation and reason for absence. We became so engrossed in the idea that we pictured to ourselves the exact wording of the telegrams the various people would send. Would you like to read them?

New York City

Sorry, piano concert schedule set up. Can't break contract.

Signed,
Lora Jean Sease

Nimblefingers always did like black and white.

FOOTBALL

"Dedicated to the 'forgotten men' of the team, 'The Linemen'."

Once again the Bulldogs captured the Championship title of the Laurel Conference through the hard practice, determination, and cooperation of the entire team with its capable and efficient coach, Mr. Brady and his loyal assistant, Mr. Jacobs. The boys completed the season with an 8 and 1 record, losing only their last game to Juniata Joint. Good sportsmanship was displayed at all times by our football "gentlemen."

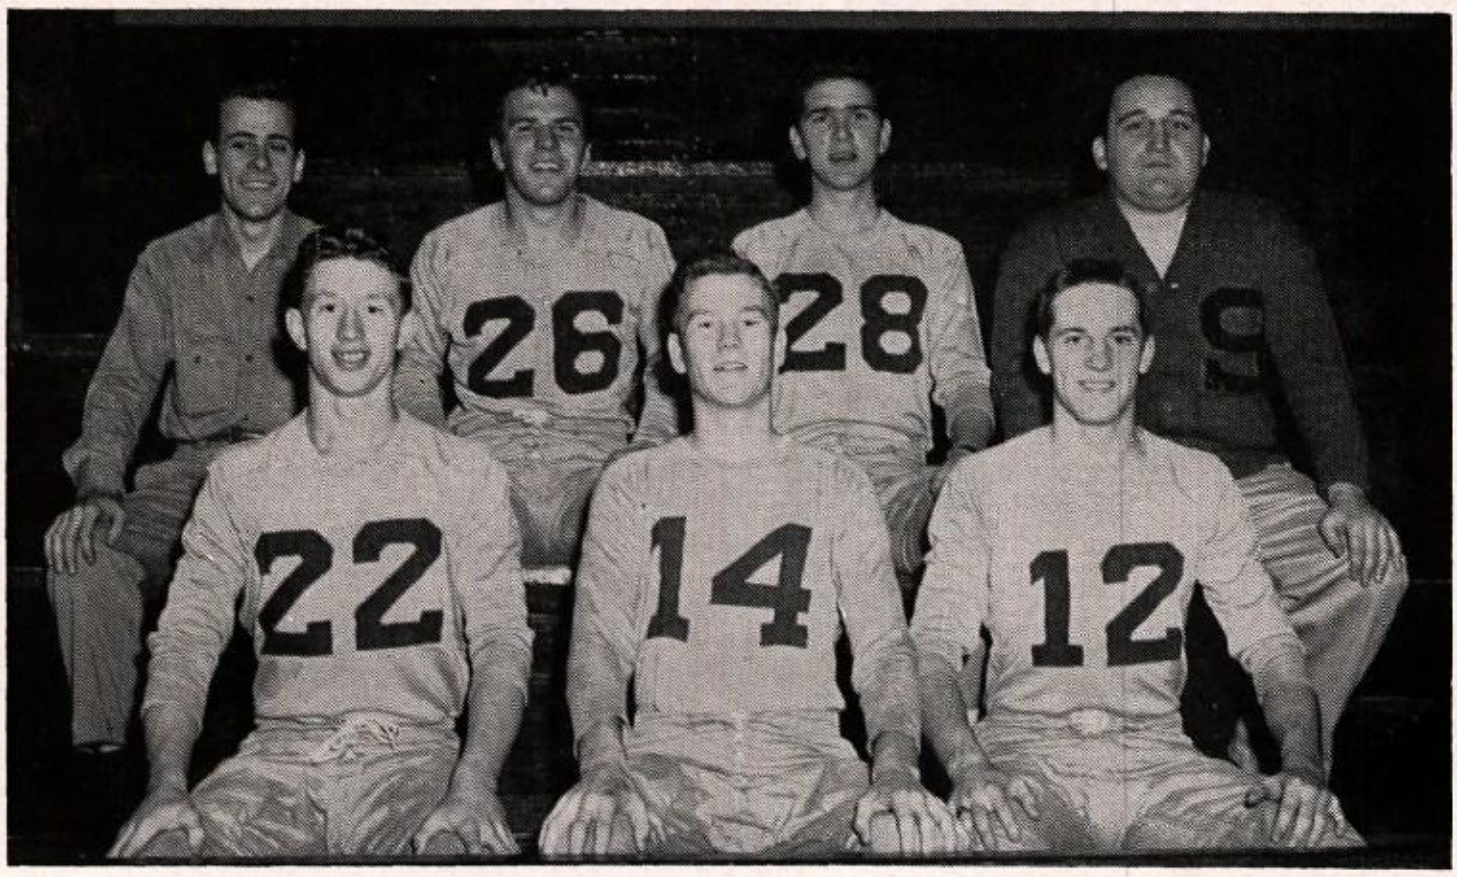
The team was honored twice by community organizations. The Washington Township Booster Club entertained the boys with a banquet. At this occasion little gold footballs were presented to the lettermen by the club. Another delightful banquet was presented by the Rouzerville Lions Club.

The excellence of this year's team laid in its ability to accept victory with humility and defeat with courage. These are the qualities of champions.

We sincerely hope that next year's team has a very successful season.

SENIORS COACHES

Mr. Jacobs, K. Fraver, H. Smith, Mr. Brady
E. Sharrah, D. Ford (captain), T. Wagner.



Varsity Football Team

GAME — RECORD

Shippensburg 12 Washington Twp. 13

The Washington Township High School Football Team opened its 1952 season with an all-important victory over the Greyhounds of Shippensburg. Trailing 12-0 at the end of the third quarter the Bulldogs caught fire and scored twice in the last stanza to win. Wagner and Sharrah both tallied. A pass from Sharrah to Pentz added the extra point, which was the margin of victory.

Susquehannock 19 Washington Twp. 20

Appearing in their first Laurel Conference game the Bulldogs downed the Warriors of Susquehannock 20-19. The K-9's first score came in the second quarter when Ford tallied on a pass from Wagner. At the start of the second half Tink Pentz cracked over for a T. D. Then trailing 19 to 13 with less than a minute left to play, Andy Sharrah streaked down the side-lines for 65 yds. behind some beautiful blocking. Township won 20-19.

West York 0 Washington Twp. 20

With the absence of first string quarterback, Terry Wagner—Link Shank directed the Bulldogs to a 20-0 victory over West York. Tink Pentz scored all three of Township's touchdowns. The win gave the 'dogs their second straight Conference victory.

Littlestown 18 Washington Twp. 34

Out for their third league victory the 'dogs beat the Thunderbolts 34-18. Ulrich opened up the scoring, going over from the 9 yd. line. Sharrah scored later on a 30 yd. run. Then again before the half ended Sharrah scored on a 65 yd. dash. The 'dogs started the second half off in style with Shank running the kickoff back some 80 yds. for a T. D. In the fourth quarter Wagner tallied on an end run from 16 yds. out. Daris Ford's blocks paved the way for many long runs.

Dallastown 7 Washington Twp. 28

Stampeding over the cohorts of Dallastown High the Bulldogs ran to a 28-7 victory. Sharrah scored first from the 1. Later Sharrah counted again on a pitch-out from Wagner which covered 35 yds. Then before the half ended Pentz intercepted a pass and zig-zagged 50 yds. for another T. D. In the second half Daris Ford scored. Ford also had a perfect night at kicking extra points.

Kennard-Dale 7 Washington Twp. 47

The Bulldogs crowned themselves Conference Champions by defeating Kennard-Dale. The win gave Township a 5-0 league record. The K-9's scored right and left. Shank, Ulrich, and Bill Ford scored once with Sharrah and Pentz counting twice.

Row 3 — Mr. Brady, J. Sloan, R. Manahan, H. Sheely, W. Lohman, J. Benchoff, T. Hudson, L. Shank, B. Stevenson, R. Minnich, B. Berklite.
Row 2 — C. Barnhart, G. Pentz, G. Mentzer, D. Royer, E. Sharrah, H. Smith, T. Wagner, K. Fraver, D. Ford, G. Ulrich, P. Stevenson, G. Crider.
Row 1 — R. Kreps, H. Eberly, I. Stouffer, A. Fleagle, P. Singer, H. Monn, T. Gift, W. Ford, D. Shank, D. Fitz, J. Reed, J. Huff.

FRESHMEN TEAM

Scotland 0 Washington Twp. 27

The Scotland game, considered the most important game on the Township schedule came and went. The Bulldogs did it!—They had beaten Scotland for the first time in the history of football at Washington Township High School. Not only that, it was a decisive score of 27-0. Our five seniors; Fraver, Smith, Wagner, Ford, and Sharrah led the 'dogs to victory. Pentz scored in the first half on a pass from quarter-back Wagner. Then in the last half, Sharrah scored, followed by two tallies made by Daris Ford. The entire team played inspired and heads-up ball.

Berkley Springs 6 Washington Twp. 27

Engaged in battle with the "Rebels" in the hills of West Virginia, the Bulldogs emerged the victor. The 'dogs scored on the game's opening kick-off when Barnhart picked up a fumble and went 60 yds. for a T. D. Later in the first period Ron Manahan smacked through to throw a Berkley player in the end zone for a safety. Then before the half ended Wagner tossed a T. D. pass to end Paul Stevenson. In the second half speedy Andy Sharrah scored twice. Township hearts were saddened when Ulrich received a fractured vertebrate. Bary was one of the 'dogs mainstays.

Juniata Joint 21 Washington Twp. 13

As the saying goes—"Into everyone's life a little rain must fall"—and it did when the Bulldogs dropped their final game of the year to the Juniata Indians 21-13. The 'dogs not playing their capable game made mistakes on which the Indians took advantage. Township scored near the end of the first half on a Wagner to Paul Stevenson pass, but still trailed 12-7. Wagner tallied in the fourth frame but Township couldn't overtake their foe. The loss gave the Bulldogs their first and only defeat of the season.

Showing much spirit and ability, the Freshmen team had a very successful season. Jim Reed assisted Mr. Brady in coaching the team. They won one game out of their three game schedule. They also learned team-work, sportsmanship, and through their games they acquired much experience, which will better our Varsity teams in the future.

Cheerleaders

Captain — Laura Kremb
Adviser — Mr. McClellan

This year's cheering squad, dressed in the school colors of maroon and grey, did a superb job of cheering the football team on to winning the title of "Laurel Conference Champions" for a second consecutive year. They also did a good job of boosting the morale at both the girls' and boys' basketball games.

Composed of twelve cheerleaders, ten girls and two boys, the squad worked untiringly along with their adviser to add different motions and more enthusiasm to their old cheers and also to learn new ones.

Various pep rallies were held during the year at which the cheerleaders presented skits to the student body. For the first time bon fires were the major event in our pep rallies. The burning of a "giant" dummy football bearing Dallastown's colors will long be remembered.

This year's squad started a cheerleading fund to benefit the cheerleaders of the future.

A large "W" is awarded to each cheerleader who faithfully serves on the squad for two years.

Here is our most popular cheer:

"Success"
S-U-C-C-E-S-S
Is the word that spells success.
Who shall have it? Well you can guess?
Nobody else, but W. T. H. S.

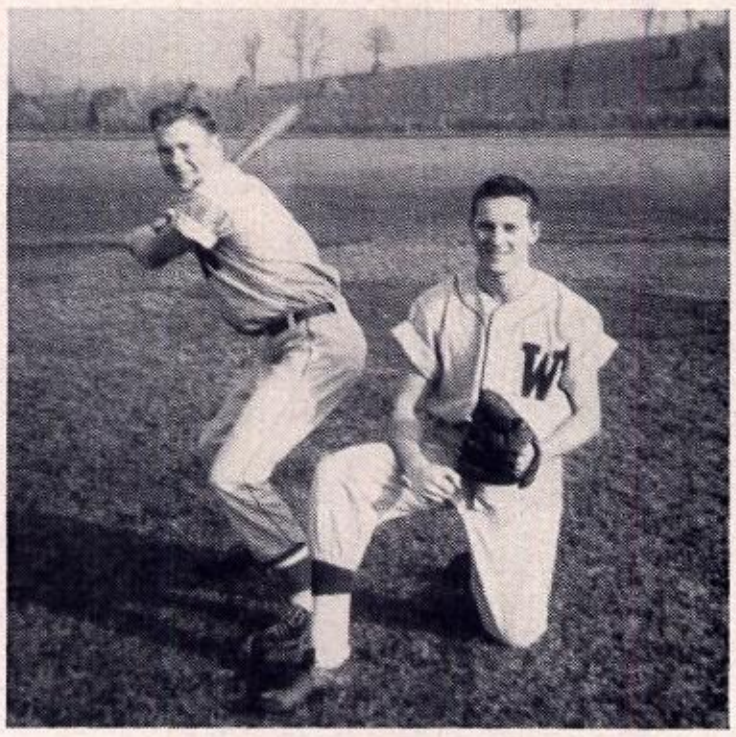
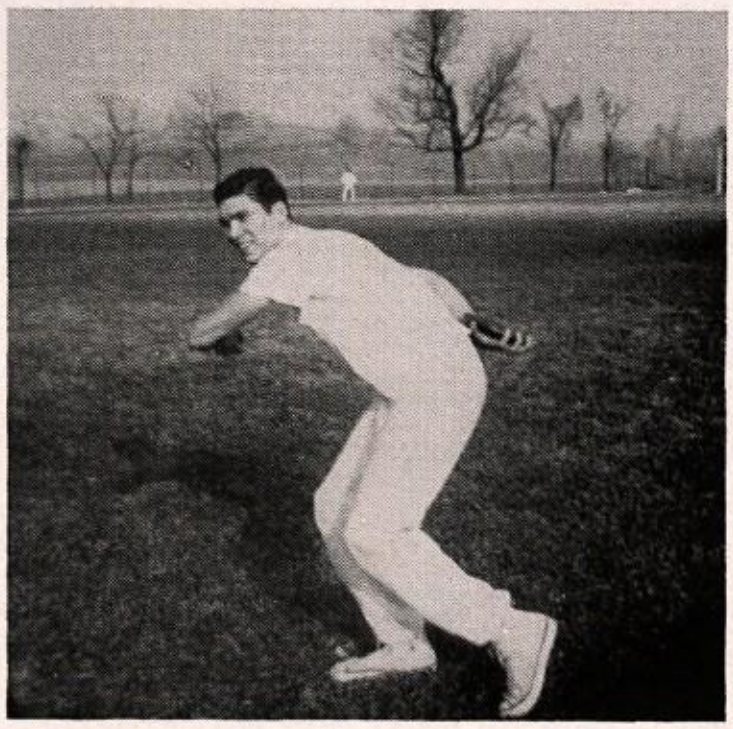
Baseball Team

The 1952 edition of the Washington Township High School Baseball team had what is termed, a poor season. The team won only 4 of 16 games. They lost 5 games by one run. The only three-hundred hitters on the team were Wagner (.392) and Sharrah (.347). George McConnell was chosen Captain. Members of the team were R. Chen, G. McConnell, R. Murdorf, R. George, J. Sanders, T. Wagner, R. Rock, H. Smith, E. Sharrah, D. Ford, G. Pentz, G. Ulrich, L. Shank, B. Paull, E. Miller, J. Reed, J. Carson.





Track Team

Breaking several meet records, the Track Team of 1952, compiled with much talent, had an over-average season. The team scored high in the Franklin County—Shippensburg State Teachers Invitation, Biglerville, Trianglar Meets. Bill Shindledecker, 20 ft. broad jumper, was sent to the State Finals at Penn State College. Members of the team were — W. Shindledecker, G. Moser, E. Heintzelman, R. Murdorf, F. Schmidt, J. Small, R. Honodel, J. Kramer, E. Sharrah, R. Gsell, D. Royer, R. Manahan, G. Pentz, W. Shank.

BOOSTER CLUB NEWS

The Washington Township Bulldog Booster Club was organized in the Fall of 1952 to foster varsity athletics in the school.

The officers elected were as follows:

President — Don Smith

First Vice President — David Ulrich

Second Vice President — Edward Kremb

Secretary — Lucile Kreps

Treasurer — Paul Stevenson Sr.

Membership in this organization is open to all adults who are interested in the various school sports. The club now numbers two hundred members.

There is an open meeting on the first Monday of each month and an Executive Council meeting each third Monday.

Various activities have been sponsored throughout the year to help finance the buying of football shoes, game uniforms, and other equipment.

A Mother-Son banquet was also given the members of the football team.

It is the hope of the Booster Club members that the club can keep growing and helping to further athletics in the Washington Township High School.

Secretary,

Lucile S. Kreps

GREETINGS TO THE CLASS OF '53

YOU graduates now have many problems to decide as to your future lives.

YOU are asking yourself the question: What am I best fitted for? Do I want to enter some profession? Do I want to go into business? Or do I want to associate myself with our local industries and grow up with them?

YOU will find many opportunities with regular employment in our local plants, which furnish further training courses to those who are ambitious and want to get ahead here at home.

We hope you decide to build your future here in WAYNESBORO.
